NOTICE TO ALL ENROLLED STUDENTS OF WORLD COLLEGE AT THE TIME OF CLOSURE

October 30, 2014

On September 8, 2014, the State Council of Higher Education for Virginia (SCHEV) notified World College that it was operating in non-compliance with the *Virginia Administrative Code* and must cease offering postsecondary education immediately. By voluntarily relinquishing its accreditation with the Distance Education and Training Council (DETC), World College was ineligible for a certificate to operate an educational institution in Virginia, and thus lost its ability to legally confer degrees.

It is SCHEV's goal to provide assistance to all students who were unable to complete their degrees at World College at the time of closure. SCHEV has obtained student transcripts and program curricula from the institution and is working diligently to find suitable alternatives for all students.

If you were a student enrolled at World College at the time of closure, please send an email to CharlotteShields@SCHEV.edu with the words **WORLD COLLEGE** in the subject line. This will allow us to contact you via email as soon as we have additional information regarding alternatives for completing your education. Please submit any questions to Ms. Shields at the email listed above.

We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "Sylvia Rosa-Casanova".
